Dear Mr. Weisberg,

Thank you so much for taking the time to answer my letter. You can't know how much it means to me. Enclosed please find a check for $17.20 as payment for Photographic Whitewash and Whitewash IV. I would like to buy more in time but I'm trying to save money for a trip to Dealey Plaza in November. I've wanted to go there for many years. I will give this order form also to my friend, who I'll be making the trip with. Thank you again for your thoughtful response. Please mail the books to my work address as before:
